

TONGUES OF FIRE 2017 **FAST-GUIDE**

We have come again to the time of the year when we prepare ourselves for a fresh encounter with our God at a higher dimension. This year our focus is on His Divine Intervention in our affairs, personal, family, and National.

Given the fact that the enemy is roaring like a lion, we are mindful to call upon our Father to intervene and put down the evil plans of the roaring enemy. Please, do your best and give your heart to this exercise and allow its benefits become your portion.

As we normally say, fasting does not change our God; it changes us who get involved and makes us more sensitive to the daily Leading of the Holy Spirit by whom God has made us overcomers. Consequently, refuse to see this Guide as what you must do but only as a guide to what you need to do. In other words, go beyond the scriptures and prayers in this Guide, use them merely as a starting point and really spend quality time with God.

Please remember that we gather to Pray every evening during the course of this Fast at Mulberry Event Centre behind NTA/Startimes, Area 11 by 6pm ending exactly at 7pm. Even if you had closed earlier make it an appointment to join with us all as we use the opportunity to not only pray for ourselves and the forthcoming program, but also for our dear Nation and the Present Government.

I pray for you that as you faithfully participate in this Fast, the Lord shall honor you and His word in your Life, and daily Intervene concerning the affairs of your life to the glory of His name in the name of the Lord Jesus Christ.

You are Highly Favored!

Apostle Israel W. Abam
