

## OCTOBER TO POWER 2017

### INTRODUCTION

Beloved this is our 10th edition of OCTOBER TO POWER: A 30 days time of drawing Grace and glory from the Throne of God to walk in new and higher levels of Life. Given the times in which we live, this season could not have come at a better time.

Please understand that fasting without praying is a HUNGER STRIKE or at best a WEIGHT-LOSS exercise and has nothing to do with God. Also understand that we do not fast for God to change His mind, rather we fast for to change ourselves; to position ourselves: our energies, and attention, all focused on our God. It is a time when we cut away distractive frivolities and give real attention to God and strive to become sensitive to His every move and word for our advancement.

It is crucial that you make time to read and meditate on the scriptures but, please those scriptures, and the prayer points, as we would always say, are only a guide and are never intended to limit your personal quest for more of God and of His word. In fact we encourage you to dig deeper and wider into God's Word; it is the only foundation for effective, fervent, unassailable, and prevailing prayers.

Finally, we know that since the beginning of this Year, the enemy had seriously been contending against us as we seek to draw closer to God, so don't be surprised to see Him challenge your focus and attention, particularly during the Weekend Special Services. The reason is simple: God has prepared a word of Healing, Deliverance, and Breakthrough for you this year, and the enemy intends to keep you from getting that Word. Pray up, beloved, and make sure that the Devil meets a well spring of frustrations concerning God's plan for your life. Boldly refuse his antics designed to keep you from this exercise, as well as from all the Evening Meetings for these 30 DAYS!

Your testimony is next on line, so don't let anything stop you from Starting, and Finishing Strong.

Congratulations!

Apostle Israel W. Abam.

Senior Pastor.
